

PROFESSIONAL GOLFERS CAREER COLLEGE

GOLF INSTRUCTION LESSON GUIDELINES

If you do not feel you can comply with these procedures, please do not schedule a lesson. Anyone found to not be in compliance will be asked to immediately get in compliance or will be asked to leave the Legends Golf Club or Professional Golfers Career College Campus.

If you are sick, have any symptoms such as **Cough, Shortness of Breath, Difficulty Breathing, Fever, Headache, Sore Throat, Chills, Repeated Shaking w/Chills, Muscle Pain, Loss of Taste or Smell** or believe that you might have **COVID-19** or any other illness where you should not be near others in public, please stay home and do **NOT** visit Legends Golf Club or Professional Golfers Career College Campus.

- **MASKS ARE REQUIRED** to be worn by all golfers while in the common areas of the facility (Starter Check-in/Line, Cart Staging Area, Driving Range, Clubhouse Common Areas).
- Instructor and student must wear a face-covering at all times.
- Golf instructor must clean hands with a sanitizer before and after the lesson.
- Follow current practice range guidelines and practices.
- The student may not arrive at the golf instruction location earlier than five minutes prior to the lesson.
- A safe distance of at least eight feet must be maintained between the student and the instructor.
- The instructor, or the facility, must have hand sanitizer available at the instruction area at all times during instruction.
- Golf equipment and equipment, including practice golf balls for instruction, must be cleaned and sanitized between use with student and other individuals.

- Instructor shall not have any physical contact with a student.
- The instructor shall not touch practice golf balls with any body part or touch any golf equipment as the student shall move the golf balls, when using, with their own golf club.
- “Video” equipment may be utilized for the lesson but only at the safe distancing standard and only the golf instructor may operate and touch the equipment.
